To whom it may concern:

The Walnut Grove Library construction was done by Aarene Contracting, LLC, who did an excellent job on the project. The construction was done well in advance of the completion date and all was very cooperative during the project. The City would recommend Aarene Contracting for any projects as they are great to work with.

Sincerely,

A handwritten signature in blue ink that reads 'Lamar Lee' followed by a long horizontal flourish.

Lamar Lee
Mayor
